Connecting FOSS to Northern Arizona

Arizona Game and Fish: Chuck Benedict and Bill Watt
928-774-5045

bwatt@gf.state.az.us

www.azgfd.com

In-school and off-site (field trip) programs.

Could come and speak about native fish, native wildlife, hunting issues, and conservation. Can also meet your class for field trips and supervise field trips to local lakes and ponds to observe, identify, and collect aquatic animal life, which can be taken back to your classroom.

Common finds are giant water bugs and crayfish.

Many free or purchasable materials.

Check out game and fish animal boxes: Bone, Bear, Bighorn sheep, Neotropical Migration Bird, Bat, and Raptor.

Heritage Grants for Environmental Education and schoolyard habitat development. Applications are due the last working day of November each year

Sterling Springs Hatchery: 928-282-3643

In Sedona to see trout eggs & fingerlings

Page Springs Hatchery: 928-634-4805

In Cornville to learn how they are cared for from fingerling to adulthood

Lipinski Farms: Nick and Connie Lipinski

928-526-0789

Take a field trip to a local farm where chickens are raised.

Nick and Connie Lipinski raise chickens off of

Townsend-Winona Road and are willing to show your

class around. They both work elsewhere and need

advance notice to plan a field trip for your class. They

can be reached at 526-0789. They live about 7 or 8 miles

out of town at 7740 Hutton Ranch Road. Nick Lipinski

recommends that you plan your visit in either September

or May when there is lots to see.
