PROGRAM INFORMATION

You may not use courses with a SPA prefix to satisfy liberal studies requirements.

For Teacher Education Program Admission Criteria, please follow this link:
<http://nau.edu/CAL/Student-Resources/Teacher-Education-Program/>

For the B.S.Ed. degree, you must have the following

- a grade of "B" or better for the English foundation requirement (ENG 105 or equivalent) (If you do not receive a "B," you may complete an additional writing course, at the 200 level or above, with a "B" or better, to meet this requirement.)
- a grade of "C" for the mathematics foundation requirement (generally MAT 110, 114, 125, or 155)

A student may substitute SPA 460C for SPA 301 with advisor approval.

Please note that this path to graduation can be accelerated by study abroad and/or summer classes, thus allowing a Spanish education student to begin their career with SPA 101 or SPA 102. Please see an advisor before your first semester for proper consultation

POS 220 is required for Arizona certification, not graduation. May be waived by examination.

Students may only take lower-level SPA courses if you have not already taken advanced SPA coursework. For instance, after you have completed 200-level SPA courses, you cannot take SPA courses at the 100 level; after completing 300-level courses, you cannot take 100 or 200 level courses.

Students must earn a grade of C or better in any course they wish to apply towards their major in Spanish.
