Relay for Life

This year's Relay for Life will be on April 17th, starting at 6:00pm and ending at 6:am. It is an amazing event that benefits millions and the participation from NAU students is tremendous! The cost to sign up is \$15.00 and it is tax deductible. Check out: http://main.acsevents.org/site/TR?pg=entry&fr_id=14751 to sign up. Our team name is SSS Chi Alpha Epsilon. For those of you who do not know what Relay is read their publicity blurb below:

Whether it is a friend, family member, the neighbor down the street, or our own personal experience, we have all been touched by cancer in some way. We all have the power to make a difference in the fight against cancer. That's why I have chosen to fight back right here in our community by participating in the American Cancer Society Relay For Life.

The Bald Soprano and The Lesson

In *The Bald Soprano* we meet the quintessential British middle-class family the Smiths, their guests the Martins, their maid Mary and a fire chief determined to extinguish all fires—including their personal hearths.

The Lesson shows Ionesco's comic genius, where insanity and farce collide as a professor becomes progressively frustrated with his wretched student, and the student with her mad teacher.

The Bald Soprano and The Lesson will play at Clifford White Theatre at 8 p.m. April 22, 2009

Sign up at the SSS Office with a **\$5 deposit** to get your **FREE Ticket!**

Sixth Principle of Empowerment

Adopting Life Long Learning is the ability to find valuable lessons and wisdom in nearly every experience you have. As a creator, you take personal responsibility for learning all the information, skills, and beliefs necessary to achieve your goals and dreams. Life long learners will discover their preferred learning style (thinking learner, doing learner, feeling learner, innovating learner), and apply their strengths to learn new information and skills. One also learns to make course corrections, giving them the flexibility to revise outdated behaviors or beliefs that limit their effectiveness. Life long learning involves developing wisdom from the University of Life - using problems, obstacles, mistakes, failures, and even catastrophes as valuable learning experiences. This learning involves believing in yourself and developing self-respect, so that you chose to live with integrity and keep commitments (even to yourself).

A Bit of St. Patrick's Day History...

St. Patrick's Day honors St. Patrick, the patron saint of Ireland. We celebrate St. Patrick's Day on March 17. Americans march in parades, dance the Irish jig and gather to sing Irish songs. People wear green in memory of Ireland, the Emerald Isle and wear shamrocks, clover with three leaves.

March 17 was not the day St. Patrick was born but the day he died. Even though we don't know the date of his birth, most scholars believe the year was 385 AD and the year of his death was 461 AD.

*** Don't forget to wear your GREEN!!!**
