## **PROGRAM INFORMATION**

Students may not use FRE prefix courses to meet any liberal studies requirements.

\*FRE Elective: Additional units of coursework in French, excluding FRE 101 & 102. Please be aware that you may not count FRE 101 & 102 toward your major requirements or liberal studies.

\*\*Students may substitute FRE 421 and 422 for 405 and 406 with advisor's consent.

Students may only take lower-level FRE courses if you have not already taken advanced FRE coursework. For instance, after you've completed 200-level FRE courses, you can't take FRE courses at the 100 level; after completing 300-level courses you can't take 100 or 200 level courses.

Students must earn a grade of C or better in any course they wish to apply towards their major in French.

Students must pass the international French proficiency exam given on the Flagstaff campus and an oral exit interview in French.
