CAREER WORKSHOPS (1 HR)

- **Interviewing Techniques**

Tuesday, September 29, Engineering (69) Room 120, Part I & II (3-5 PM)

More than 70% of the hiring decision can be based upon the personal interview. Learn new ways to answer routine questions, situational questions and behavioral questions that bring out the best you have to offer. Your answers could set you apart from the competition. Part I – interview techniques presentation, Part II – practice your interviewing techniques.

- **Strategies for Getting Into Your Next Job**

Tuesday, October 6, du Bois Center (64) Agassiz Room, 4:30 – 5:30 PM

In today's job market you must compete with numerous other candidates for only one job opening. Competition is steep. Learn strategies at this session so that you can highlight your qualities in a way the employer will recognize and want to hire you.

- **Aligning Your Education and Career**

Tuesday, October 20, du Bois Center (64) Agassiz Room, 4:30 – 5:30 PM

Are you wondering what kind of career would be best for you? Connecting the dots in your diverse past can be beneficial. Whether you have only been in the job market for 2 years or 20 years, alignment between your interests and your skills is critical to finding a career that you love.

- **How to Earn Money Living Your Purpose and Your Passion**

Tuesday, October 27, du Bois Center (64) Agassiz Room, 4:30 – 5:30 PM

Haven't been able to find the right job? Maybe it's time to consider other ways you can make money by living your passion. Thousands of people are doing it. Would you like to be one of them? Come to this session to learn about new possibilities that can change your life forever.
