

Project D.A.T.E.

Diversity and Ally Team for Education

Date: Friday, November 6th, 2009 Room 110 SBS Building

Time: 6pm - 7pm and open for questions to panel till 8pm

Transcending Gender and Sexuality Binaries: Campus and Community

Have you or someone you know been confused about labels and stereotypes involving the Lesbian, Gay, Bi-sexual, and Transgender community? Do you have concern with use of language and fear that you will offend if you were to ask questions? Please join us and learn more about these complex, and sometimes “taboo” subjects. You will have an opportunity to meet and ask questions to individuals who will openly share their experiences in a welcome and open atmosphere after a presentation that addresses these issues.

Highlights

- ~Possible Extra Credit
- ~A panel of experienced individuals willing to share
- ~Learn more about how LGBT issues affect you
- ~Hear more about Transgender Identity and how it affects your everyday life

SBS rm 110 is located on the bottom floor of Social Behavioral Sciences on South Campus
